RE: Annual Report on Obsolete, Unnecessary, or Duplicative Rules, as Required by
Minnesota Statutes, Section 14.05, Subdivision 5

The Board initiated a rulemaking process on October 26, 2009, and completed that rulemaking process with rules that became effective on March 1, 2011. In that process, the Board addressed and eliminated all obsolete rules identified in its rules report of December 1, 2010.

Since that time, no legislation has been introduced that requires rulemaking. There are no obsolete rules to be reported at this time.
